Over his stellar 25-year career as a cinematographer, Justus has built a solid reputation for creating haunting images to enhance the director's vision. He has filmed numerous feature films, short form productions, commercials and television drama, earning him awards and nominations both locally and internationally. He is known best for seamlessly translating his vivid imagination into breathtaking frames, no matter what endless variables and challenges arise. A true master of his craft, he has become one of South-Africa's most sought-after cinematographers.
